DURA²MAX

Tractor Canopy

Dura Max Pakistan has been manufacturing Plastic Water Tanks, Textile Sliver Cans, Poly-Lights, Road Safety Products and Garbage Containers under its flagship brand "DURA" Since 1992, the company has gone through major changes and since evolved into Dura Polymer Industries.

Dura offers excellent Plastic products in Pakistan including Tractor Canopies. The tractor Canopy is an important tractor body element. This canopy shields the driver from the sun, rain, and other environmental variables.

Dura plastic canopy provides you with excellent shade cover, especially during the hottest hours of the day. The canopy on offer is made of fiber-reinforced plastic, which is noted for its stiffness. It is well-known for its precise dimensions and shape, which are securely fastened to the tractor with the help of a sturdy metal frame.

This Dura plastic canopy is appealing in color and has a paint-coated surface finish that blends in flawlessly with the tractor body.
