## FLUSH TANK

Dura Polymer Industries proudly presents DURA MAX Flush Tanks, an innovative and reliable solution for modern sanitation needs. Manufactured using high-grade virgin plastic materials under strict quality control standards, DURA MAX Flush Tanks ensure long-lasting durability, smooth performance, and elegant design. With over three decades of trust in the plastic industry, the DURA brand has become a household name across Pakistan. Our flush tanks are resistant to corrosion, leak-proof, and built to withstand high water pressure, making them an ideal choice for both residential and commercial bathrooms.

DURA MAX Flush Tanks are engineered for efficiency and aesthetics, delivering seamless functionality and modern looks. Trusted by builders, plumbers, and households nationwide — choose DURA MAX for unmatched quality and performance.
